Product specifications

Indications

- Improve skin texture
- Improve fine wrinkles
- Moisturizing

Composition

- Sodium Hyaluronate
- Acetyl Hexapeptide-8
- Cross-linked hyaluronic acid (CLHA)

How to use

STEP 1- After cleanser, smooth out your skin.

STEP 2- Carefully peel off the films of the Needly Patch. Do not touch microstructures.

STEP 3- Apply the patch vertically on the desired area (crow's feet, frown lines, laugh line) and press it for 1-2mins.

STEP 4- After 4 hours, or next morning, take off the patch and cleanse your face.

Tip! Apply the patches before sleep and peel it off next morning for better results.

Applicable skin type

- All skin type
- Aging skin
