Detailed description M-Amino Cream Mask 200ml

Have you ever imagined that a spider's web can prove beneficial for your skin? This creamy mask is your rescue to the fatigue Aging Skin!

M-Amino Cream Mask is a regenerating, elastic, soothing mask that contains spider protein component, active peptide, Sodium

DNA, MultiEx BSASM® Plus, acting directly on problematic areas.

Its velvety touch makes your skin softened and deeply moisturized!

What can PDRN do for you?

Anti-inflammatory repair - For skin damage, PDRN can enhance the self-repair ability of skin cells, essentially enhance the skin's anti-inflammatory ability, increase the skin's epidermis, dermis thickness & elasticity, and rebuild the repair ability and defense barrier.

Activate regeneration - Activate the DNA activity of aging cells, improve skin microcirculation, shorten the cycle of skin cell metabolism, and reshape the soft and white skin of a baby.
