

# ZELIA | Night Cream

with Nourishing & Whitening Factors

**Volume: 50ml**

A revolutionary night cream formula with potent natural moisturizing and whitening factors that restores skin hydration.

98.65% Natural Ingredients & Vitamins

Greek Cosmetic Product

Detailed description ZELIA | Night Cream "APHRODITE" 50ml

APHRODITE Nourishing – Whitening Night Cream is a Premium a **multi-vitamin whitening** product that makes the night an ally to our **face rejuvenation** and offers us a perceptibly **firmer** and **brighter** skin. **Natural antioxidant ingredients** act in synergy with **Vitamins Panthenol, C, and E**; they activate skin metabolism, protect skin from **aging signs** and prevent

damage from **environmental pollutants and cellular toxins**. A combination of **licorice** and pea sprout extracts with **strawberry oil** decolorizes existing **freckles** and age spots and inhibits the factors causing them, making the face **glow**.

Night cream APHRODITE **contains 98.65% of natural ingredients and vitamins**. It belongs to the category of skincare products with whole raw materials friendly to both humans and the environment. It is produced in Greece and is dermatologically tested.

\*NO MINERAL OIL • PARABENS FREE • POLYACRYLICS FREE • SYNTHETIC SILICONE FREE • PHTHALATES FREE • BHT & BHA FREE  
• CRUELTY FREE • DERMATOLOGICALLY TESTED

#### Product specifications Indications

- **Squalane**, a natural skin emollient extracted from **olive oil**. It has **anti-aging properties** that rejuvenate cells, prevent **dehydration** and repair skin **glow** and elasticity.
- **Ginkgo Biloba Extract**. A true gem! It protects the skin from the **redness & inflammation** caused by exposure to **UVA/UVB**; a potent **anti-oxidant** and **anti-inflammatory** that also improves **micro-circulation** and activates **cellular metabolism**. It delays **skin ageing** by inhibiting **collagen degradation** and **hyaluronic acid polymerization**.
- **Licorice extract**. A **natural anti-inflammatory** ingredient, which also **inhibits tyrosinase**, reducing **freckles and age spots and improving skin tone**.
- **Plantago lanceolata leaf extract**. It restarts **protein synthesis**, preventing **cellular aging**. It enhances skin **elasticity**. It brightens **age spots** and freckles by limiting overproduction of **melanin**.
- **Natural Moisturizing Factor (NMF)**. An absolutely natural mixture of **polysaccharides** and **amino acids** that promotes **skin elasticity** and maintains **moisture**. This is one of the basic components of human skin.
- **Aloe**: It's **moisturizing, emollient, anti-inflammatory, antimicrobial and antioxidant** features offer generous **protection** from **free radicals**, thanks to the flavones it contains. It has mild **anti-histaminic** properties and contains vitamins, minerals, and amino acids.
- **Rosa canina and Rosemary Essential oils: Antioxidant** They also prevent damage from **environmental pollutants** and **cellular toxins**.
