Moisturizing & soothing emulsion

**Volume: 200ml**

- ★Anti-wrinkle
- ★Supply nutrition
- ★Elasticity
- ★Regeneration

Professional Korean Cosmetic Product

Detailed description Skin Hydration Anti-aging Emulsion 200ml

**Worried about dry aging skin, lack of skin moist nutrition OR fine wrinkles and weak skin?**

This moisturizing and soothing toner provides softness and add momentum to the skin!

**Skin Hydration Anti-aging Emulsion** enhances the elasticity of the skin due to active peptide components and improves hydration and nutrition levels by soothing out the wrinkles of the skin.

RELIEVE IRRITATION! - HELP REGENERATE SKIN! - IMPROVE MOISTURE!  
This triple effect makes this emulsion a remarkable choice for your skin!

\*HYPOALLERGENIC • SYNTHETIC FRAGRANCE FREE • DERMATOLOGIST-TESTED • PARABEN FREE

Product specifications

Indications

- Antioxidant, anti-inflammatory
- Wrinkle improvement
- Strengthen skin barrier
- Deep moisturize

Composition

- Meadowfoam Seed Oil
- Inula Britannica Flower Extract
- Gold Flower Extract (patent ingredient)
- Palmitoyl Tripeptide-5
- Sodium hyaluronate
- Adenosine

How to use

**STEP 1-** Wash your face with lukewarm water to prepare your skin.

**STEP 2-** Use an almond-sized amount of product for each application.

**STEP 3-** Dab a small amount of the emulsion on different areas of your face. Use clean fingertips to apply small dabs of the emulsion onto key dry areas like your forehead, cheeks, nose, and chin. This helps to distribute the product evenly all over your face.

**STEP 4-** Spread the emulsion evenly around your face with your fingertips using circular motions upwards and outwards of your face. Be extra careful around the delicate eye area.

Applicable skin type

- All skin type
- Especially for aging skin
