Detailed description Skin Hydration Moisture Gel Toner 200ml

**Dry skin with lack of moisture?** Begin your skincare routine with this gel-type toner and provide an instant moisture supply to your skin!

**Skin Hydration Moisture Gel Toner** is a gel type toner that provides rich moisturizing. High concentrated plant extracts,

vitamin and mineral, make absorption quickly and lead skin balance.

It is the best for soothing and moisturizing on sensitive skin!

The ingredients of the extract Centella Asiatica have the power to heal inflammation and skin wound and relieve redness. This toner is proven to minimize the appearance of pores and prepare skin for next steps.

\*HYPOALLERGENIC • SYNTHETIC FRAGRANCE FREE • DERMATOLOGIST-TESTED • PARABEN FREE

Product specifications
