A face sunscreen cream that provides broad-spectrum sun protection to all skin types. The formula leaves a weightless finish and provides 97% protection from solar radiation.

85% Natural Ingredients & Vitamins

Greek Cosmetic Product

Detailed description ZELIA | Face Sunscreen cream "HELIATOR" 50ml

HELIATOR Face Sunscreen Cream with SPF 30' is a combination of **natural** and **safe organic sunscreen substances** to provide full protection of the body and face **against solar radiation and oxidation**; the cream is enriched

with **anti-aging** agents. A product resulting from year-long research seeking, on the one hand, to combine natural and safe organic sunscreen substances, which according to studies do not disrupt the function of endocrine glands, and, on the other, to replace silicones, bi- and tri-methicones, polyamids (Nylon 12) and PVP/VA copolymers with natural ingredients, so that the product may be friendly to both the skin and the environment.

The cream absorbs or reflects 97% of UVB radiation, while also protecting against UVA radiation.

HELIATOR Face Sunscreen Cream with SPF 30 **consists up to 85.00 % ingredients from natural sources and vitamins.**

This is a **holistic** product that:

- Is **suitable for children**;
- Provides **sunscreen protection** for all skin types;
- Contains **no acne** enhancing ingredients;
- **Protects** the skin from **dehydration** and **photo-ageing**;
- Cares for and **soothes irritation** caused by solar radiation;
- May be used as often as needed, because of its **light texture**; it leaves a silky feeling with no discomfort.
- It is suitable for **vegans**

*NO MINERAL OIL • PARABENS FREE • POLYACRYLICS FREE • SYNTHETIC SILICONE FREE • PHTHALATES FREE • BHT & BHA FREE
• CRUELTY FREE • DERMATOLOGICALLY TESTED

Product specifications Indications

- **Caprylic/capric acid triglycerides.** They tolerate oxidation well and have excellent emollient action; they are solvents for vitamins and other ingredients. They create a film on the skin surface and reduce **trans epidermal water loss**.
- **Plant emollient made from sugar & coconut.** We selected this because we refuse to use synthetic silicones in our sun screen.
- **Sesame oil.** Rich in **fatty acids**, such as **linoleum oil**, **vitamins E, D and B** and **mineral trace elements**. It prevents skin cell oxidation caused by sun light and blue light, while it is also **anti-inflammatory**, providing mild **sun protection**.
- **Sunflower oil.** Rich in **mineral trace elements** and **antioxidant vitamins A, C and E**, it protects the skin from **free radicals** and **solar radiation**.
- **Natural Moisturising Factor (NMF).** An absolutely **natural** mixture of **polysaccharides** and **amino acids** that promotes **skin elasticity** and maintains **moisture** It is also one of the basic components of human skin.

- **Aloe:** Its **moisturising, emollient, anti-inflammatory, antimicrobial and antioxidant** features ensure generous protection from **free** radicals, thanks to the **flavones** it contains. It has mild **anti-histaminic** properties and contains **vitamins, minerals and amino acids**.
- **Vitamin C.** The **youth vitamin**, that helps **collagen production**, fights **free radicals**, provides mild **UVA protection** and enhances skin **elasticity and glow**.
- **Ginkgo biloba Extract.** A true gem! It protects the skin from the **redness & inflammation** caused by exposure to **UVA/UVB**; a potent **anti-oxidant and anti-inflammatory** that also improves **micro-circulation** and activates **cellular metabolism**. It delays **skin ageing** by inhibiting collagen degradation and **hyaluronic acid**
- **Green tea extract: Anti-inflammatory** and rich in **anti-oxidants**, it protects your skin from the devastating **effect of free radicals** by preventing the **collagen** breakdown caused by **UV radiation**. The **xanthines** contained stimulate **skin micro-circulation** and improve complexion **tone** and **glow**.
- **Lavender essential oil: Anti-inflammatory**; protects from **sun burns**.
- **A-Bisabolol.** One of the ingredients contained in **chamomile**. It has **anti-inflammatory, moisturising and healing** action; it **protects** skin **collagen**.
- **Vanilla extract.** A source of B complex vitamins (**Niacine, Thiamine, B6, Pantothenic acid**), which play a vital role in keeping the skin healthy. Its **anti-oxidant properties** protect the skin from lesions caused by **environmental pollutants** and **toxins**.

Composition

The sunscreen “HELIATOR” contains E & C Vitamins, Ginkgo Biloba extract, Vanilla extract, Matricaria Chamomile extract, Lavender, Green tea, Natural Moisturising Factor, Aloe, Caffeine, Sesame oil, Sunflower oil. It does not contain synthetic fragrances.

AQUA (WATER), METHYLENE BIS-BENZOTRIAZOLYL TETRAMETHYL BUTYLPHENOL (NANO), DIBUTYL ADIPATE, ETHYLHEXYL SALICYLATE, CAPRYLIC/CAPRIC TRIGLYCERIDE, BIS-ETHYL-HEXYLOXYPHENOL METHOXYPHENYL TRIAZINE, BUTYL METHOXYDIBENZOYLMETHANE, POTASSIUM CETYL PHOSPHATE, TITANIUM DIOXIDE, ZINC OXIDE, SESAMUM INDICUM OIL, ORYZA SATIVA (RICE) BRAN OIL, GLYCERIN, PENTYLENE GLYCOL, CETYL ALCOHOL, UNDECANE, ISOAMYL LAURATE, TRIDECANE, UTYROSPERMUM PARKII (SHEA) BUTTER, SODIUM PCA, CAMELIA SINENSIS LIQUID EXTRACT, LAVANDULA ANGUSTIFOLIA FLOWER OIL, TOCOPHEROL, ASCORBYL PALMITATE, TOCOPHERYL ACETATE, GINGO BILOBA LEAF EXTRACT, ALOE BARBADENSIS LEAF JUICE POWDER, VANILLA PLANTIFOLIA FRUIT EXTRACT, BISABOLOL, GLYCERYL STEARATE CITRATE, XANTHAN GUM, PULLULAN, CAFFEINE, LECITHIN, SCLEROTIUM GUM, CITRIC ACID, ETHYLHEXYLGLYCERIN, SODIUM PHYTATE, PHENOXYETHANOL, SODIUM BENZOATE, CHLORPHENESIN, SODIUM SULFITE, CITRIC ACID, ALCOHOL, *LINALOOL, *CITRONELLOL, *COUMARIN, *LIMONENE

(*FROM ESSENTIAL OILS).

How to use

Apply at least 30 minutes before exposing the skin to the sun. Refresh, particularly after perspiring, drying yourself or swimming. Direct exposure to the sun may threaten your overall health. Avoid exposing yourself to the sun during the hours of intense solar radiation.

Applicable skin type

- All skin types
- Ideal for dry, sensitive, acne-prone skin
